

FINE STAMPEDE AT KEDLESTON

Local Riders Stage Thrilling Spectacle on Empire Day

Kedleston, May 25.—A stampede was held on Monday, Empire Day, in Frank Hayward's meadow. There were quite a few riders, among whom were Len Rice, Ted Fisher, Ray Lidstone, George Felker, V. Miller, "Slim" Campbell of Kamloops, and Rolly Hayes of Armstrong. Among the horses ridden were Giraffe, Gravedigger, Steel Grey, and You'd be Surprised. In spite of the excellent bucking the riders stayed with them. One very interesting event was the jumping contest. Ted Fisher won on Strawberry Roan. The whole affair, the first of its kind to be held in this district, was a great success. Much praise is due to Frank Hayward, Len Rice, Ted Fisher and others for putting on this event, which was thoroughly enjoyed by all present. There was quite a crowd, and we even saw two touring cars from Quebec and Oregon. It is likely there will be another stampede in the near future.

Lance Howden has left for Vancouver Military Hospital, owing to ear trouble.

Bob Kildahl spent the week-end at Mr. Peter's, of Vernon.

Mrs. Perry and son Gerald, spent Sunday at the home of Mr. and Mrs. Hitchcock.
